13.MAIN MAST RIGGING

October 2021 (editing continues each month)

This ***interpretive*** build is based on the supplied drawings, the kit material – *and a considerable amount of extra material.*

This work only illustrates how this ship **might** be built. The level of complexity chosen is up to the individual

This resource information was based on the original text supplied by Euromodel and then expanded in detail as the actual ship was constructed by the author, Peter Coward. Neither the author or Euromodel have any commercial interest in this information and it is published on the Euromodel web site in good faith for other persons who may wish to build this ship. Euromodel does not accept any responsibility for the contents that follow.

Euromodel Plan Sheets 1, 2 and 17 were used for the base references. If there was any question about other drawings, it was these three that were referred to.
